10-12. soruları aşağıda verilen metne göre cevaplayınız.

The Internet makes our lives easier. We can do many things by using it like communicating, shopping, searching information, studying, making friends etc. However, there are many disadvantages, too. First, there is a lot of wrong information because anyone can post anything. Second, you can be an Internet addict if you spend too much time on the Net. So you cannot spend much time with your real friends. Third, viruses can harm your computer. Finally, you may have some safety problems. People can steal your passwords and get into your personal computer.
